Subject: ST12 additional wells

Carolyn and Wayne-

I briefed Greg Gangnuss on the proposed locations/priorities for additional wells and Bill and I have talked to Wood a couple of times. I will be sending the table and figure back out to the team this week.

We have also had a few more calls with AF contracting on the contractual options. We are getting closer to having a defined path forward. I should be able to provide more information on this aspect Friday or Monday.

Thank you.

Cathy
